Conference Booking Conditions

(Prices are valid from January 2022 until further notice)

Cancellations

Cancellations can be very costly for a hotel. To keep our prices competitive, we have a cancellation policy. Cancellation charges follow a sliding scale dependant on how much notice is given and are based on the anticipated final invoice:

12 weeks or more	up to 25%
6-12 weeks	25%
4-6 weeks	50%
Less than 4 weeks	75%

In each case we will make every attempt to re-let the room(s). The resulting revenue will be deducted from the cancellation charge.

Number of guests attending

If you give us at least two days notice, you can reduce the original number of guests by up to 20%. Within two days, variations to final numbers will attract cancellation charges as outlined above.

Payment terms

Unless you have agreed credit facilities with the Hotel, a deposit of 10% is due with the confirmation of booking and full payment is due two weeks before the conference / meeting.

If you have credit facilities, you will be invoiced after the event and the amount is due for payment 30 days from invoice date. We reserve the right to charge interest at 1.5% per month on outstanding amounts.

Use of the Hotel

If you are planning to bring electrical equipment, please check with the Hotel first. Please consult us if you want to stick things to walls or ceilings. Any damage to the property will be charged.

General

It is agreed you are not acting for or on behalf of anyone else. You are responsible for charges incurred for hire of special equipment

Insurance

You may wish to consider taking out low cost insurance to cover cancellations. Please ask us for a proposal form if you are interested.

I have read and understood the terms and conditions of booking.
